## ANNUAL WOMEN'S LEADERSHIP BRUNCH

Sunday, June 14, 2026 | 1:00 PM – 4:00 PM | Thelma D. Burns Building

**Join us for a gathering of Boston's most influential women leaders: decision-makers, executives, board members, advocates for an afternoon of transformation.**

### The Need

In Boston, young girls and gender-expansive youth face disproportionate violence:

**70%**

of domestic violence victims

**90%**

of sexual assault victims

**98%**

of commercial sexual exploitation victims

**Girls in Dorchester, Roxbury, Mattapan, and Jamaica Plain** need resources, mentorship, and safe spaces to heal and lead.

### Our Impact

Girls' LEAP has served **500+ girls and gender-expansive youth**; reaching our three-year strategic goal one year early.

**Top-quartile program** from Boston After School & Beyond

**Debuted 5th Quarter Summer Learning Academy**, a free 5-week summer program

**20 Teen Mentors** participated workshops on leadership, financial literacy, college readiness, and self-care.

**Launched Media Mindset**, a youth-led initiative that empowers teens to explore the impact of social media on mental health.

Women and girls are **60% less likely to be assaulted** after self-defense training

### Why Sponsor

Your sponsorship directly funds physical self-defense training, socio-emotional skill-building, youth leadership development, and safe spaces where girls grow stronger and lead.
